

Testimonial on the Cantorian Choir

May 2016

The Bundeena RSL Club is in a "*Phoenix phase*" at present, as it is gradually rising again from the ashes of a most unfortunate fire.

We in the village of Bundeena have had time to reflect on the old club's highlights, and without a doubt, the two evenings with the Cantorian Choir were the most outstanding events.

A white table cloth and candle light dinner, cabaret style, and the wonderful 30+ voice Cantorian Choir to entertain between courses. Life doesn't get much better!

Especially unforgettable was the Bastille Night Banquet, with songs from France, Italy and Ireland between sumptuous dishes and good wine.

The choir is spine chillingly beautiful, and versatile, so versatile.
