

On Saturday 18th Sept. 2014, the Sydney Cantorian Male Voice Choir treated the residents of Dubbo to two hours of delightful singing. Drawing from their repertoire we heard Welsh songs, hymns and folk songs from all over Europe and the UK. With a skilled conductor, soloists and accompanist, they took us on a journey through language and musical styles. The concert was held in the St. Andrews Chapel in Wingewarra Street and attracted a sizable group of Dubbo music lovers who were most appreciative. After the concert the audience and performers all met in the rehearsal room for a feast of sandwiches and other goodies and some fine mingling and chat was enjoyed by all.

The Choir's visit was a highlight in Dubbo's extensive cultural calendar
